

New Zealand Post Superannuation Plan

Confirmation of tax rate (PIR)

The New Zealand Post Superannuation Plan pays tax on your behalf at a rate based on your total personal income. This rate is called your Prescribed Investor Rate (PIR). It's important to use the correct tax rate. You don't want to pay more tax than you need to. If you do, you can't get it back from Inland Revenue. On the other hand, if you're not paying enough tax, you will need to repay the shortfall and may be liable for penalties and interest. Use this form to let us know or change your tax rate (PIR). For further information on your PIR, see the information on Inland Revenue's website at www.ird.govt.nz/roles/portfolio-investment-entities/using-prescribed-investor-rates.

Taxable income is all of your income that is subject to income tax, including all salary and wages, less any claimable expenses and losses. **PIE income** means your share of a PIE's taxable income. PIE is short for Portfolio Investment Entity. Many superannuation schemes and managed funds have chosen to become PIEs in order to pass on tax advantages for investors on lower incomes. Call us on **0800 697 728** (choose option 2) if you are not certain if something is PIE income.
